

# HÄSTENS 2000T

203.1 kilograms of perfection.

To lie down on a Hästens 2000T bed is to rest on Hästens' entire history. The bed is the culmination of what we have learned during our 166-year quest for the best sleep possible: from profound insights into the human body and unique knowledge of materials to five generations of craftsmanship. It contains 34 layers and over 200 kilograms of carefully selected natural materials. Each individual layer is well thought-through and refined practically down to the last horsetail hair.

## YOUR BODY IS UNIQUE. YOUR 2000T CAN BE TOO.

You can customize your Hästens bed so that it's just right for you. There are over 20,000 possible combinations.
